SECTION 2. IC 31-34-12-4.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2004]: **Sec. 4.5. (a) There is a rebuttable presumption that a child is a child in need of services if the state establishes that:**

with the child; and

(B) resulted in a conviction of the adult or a judgment under IC 31-34-11-2 as it relates to the child against whom the sex offense was committed.

(b) The following may not be used as grounds to rebut the presumption under subsection (a):

(1) The child who is the victim of the sex offense described in IC 31-34-1-3 is not genetically related to the adult who committed the act, but the child presumed to be the child in need of services under this section is genetically related to the adult who committed the act.

(2) The child who is the victim of the sex offense described in IC 31-34-1-3 differs in age from the child presumed to be the child in need of services under this section.

(c) This section does not affect the ability to take a child into custody or emergency custody under IC 31-34-2 if the act of taking the child into custody or emergency custody is not based upon a presumption established under this section. However, if the presumption established under this section is the sole basis for taking a child into custody or emergency custody under IC 31-34-2, the court first must find cause to take the child into custody or emergency custody following a hearing in which the parent, guardian, or custodian of the child is accorded the rights described in IC 31-34-4-6(a)(2) through IC 31-34-4-6(a)(5).
